INTERNATIONAL SEARCH REPORT

International application No. PCT/EP2004/012050

Box II	Observations where certain claims were found unsearchable (Continuation o	I Item 2 of first sheet)
This inter	nternational Search Report has not been established in respect of certain claims under Article 17	(2)(a) for the following reasons:
	Claims Nos.: because they retate to subject matter not required to be searched by this Authority, namely:	
ł	Although claims 23 to 25 are directed to a diagnostic m human/animal body, the search has been carried out and i effects of the compound/composition.	ethod practised on the based on the alleged
t	Claims Nos.: because they relate to parts of the International Application that do not comply with the prescri an extent that no meaningful International Search can be carried out, specifically:	bed requirements to such
з. 🔲 б	Claims Nos.: because they are dependent claims and are not drafted in accordance with the second and thir	d sentences of Rule 6.4(a).
Box III C	Observations where unity of invention is lacking (Continuation of item 3 of firs	t sheet)
This Intern	emational Searching Authority found multiple Inventions in this International application, as follow	s:
1. As	As all required additional search fees were timely paid by the applicant, this International Search searchable claims.	Report covers all
2. As	As all searchable claims could be searched without effort justifying an additional fee, this Author of any additional fee.	ity did not Invite payment
3. As	As only some of the required additional search fees were timely paid by the applicant, this Interni- covers only those claims for which fees were paid, specifically claims Nos.:	ational Search Report
4. No res	No required additional search fees were timely paid by the applicant. Consequently, this internative stricted to the Invention first mentioned in the claims; it is covered by claims Nos.:	onal Search Report is
Remark on I	n Protest The additional search fees were accompanie	d by the applicant's protest.
	No protest accompanied the payment of addi
